Chapter 1 by xCringe

Let me tell you about my eyebrows. Two words. On fleek. They look absolutely beautiful than most people. Plus, it has a special ability. The ability to show images of the future. For most, it's the eyes, but for me, my eyebrows. Also, it helps not raise suspicion of me to the government. The last thing I want to happen is to have my fleektastic eyebrows expiremented on, or worst. Shaved completely off.
